

The College Football Championship is upon us, & in this Newsletter Gematria reveals the winning code. We will focus on Winner as well as Match-Up, & decode the 2 Bowl Games that lead to the ultimate Championship Game on January 13th at the Mercedes Benz Superdome in New Orleans.

Our Champion is the LSU Tigers led by Coach Ed Orgeron & Heisman winning QB Joe Burrow. The LSU Tigers will Defeat the Oklahoma Sooners in the Peach Bowl on Dec 28 at Mercedes Benz Stadium, & then move on to play either Ohio State or Clemson for the National Championship.

It's the **52nd** Annual Peach Bowl & the Championship Game will be LSU's **52nd** Bowl appearance.

**2019 Peach Bowl =52. Atlanta Georgia =52. New Orleans =52. LSU =52.**

MERCEDES BENZ SUPERDOME =313. L=3 S=1 U=3.

Championship comes 1 month 3 days after Burrow's Birthday

With 13/31 being the key number combo... the code lends itself to an **Ohio State =131** Match-Up. **OSU =131.**

Championship Game on 13/1 or 1/13

**The Ohio State University=131. Columbus OH -113**

The State of Ohio founded on 3/1/03

OSU QB: **Justin Skyler Fields =103/113**

OSU Coach Ryan Day born on: 3+12+19+79 =113

For Ohio State to face LSU in the Championship they must first beat **130 year** old Clemson University in the Fiesta Bowl. Clemson Beat Ohio State **3 years** ago by a score of **31-0. Revenge =113**, & an Ohio State win hands Clemson Coach Dabo Swinney his **31st** career loss.

**DABO SWINNEY =131. Championship =131.** If Clemson Beats OSU it will be Dabo's **130th** Win matching Clemson's age of **130**. This potential Clemson win then sets-up Dabo for his **131st** Win. That 130/131 Code is the Only thing that worries us about Clemson.

While Clemson has a major number fulfillment on the horizon, the numbers for their Fiesta Bowl game on Dec 28 vs Ohio State again lean towards Ohio State:

**OHIO STATE UNIVERSITY =112**  
**THE OHIO STATE UNIVERSITY BUCKEYES =112**  
**OHIO STATE =112**  
**FIESTA BOWL =112**  
**CHASE YOUNG =112**  
**CFL NATIONAL CHAMPIONSHIP =112**  
**STATE FARM STADIUM GLENDALE ARIZONA =112**  
**COLLEGE FOOTBALL NATIONAL CHAMPIONSHIP =112**  
**THE BUCKEYES =112**

Ohio State University =102. PlayStation Fiesta Bowl =102.

Fiesta =102. Glendale =102. Columbus =102.

Coach Ryan Day =102 his bday 10 months 2 days before the Final.

Again, we cannot rule out a Clemson win in the Fiesta Bowl because of Dabo Swinney, but overall the code is much stronger for Ohio State to advance to the Championship vs LSU.

2019 LSU Tigers =125. National Champion =1205. The Championship Game comes when Burrow will be exactly 1205 weeks old & 1205 days after Orgeron was named Head Coach.

Joe Burrow wears #9. Has 9 Letters in his name. Game on a 9-day in Numerology. Along with that Numerology comes some Chinese Astrology. We are currently in a PIG Year. The last Pig Year was 2007, & in that year LSU Beat Ohio State in New Orleans. History Repeats.

PIG =32 TIGER =32 (Clemson mascot is also a Tiger)

OHIO ST =32 BUCKEYES =32

NEW ORLEANS =32 Orgeron is LSU's 32nd Head Coach

In conclusion, a solid confluence of Gematria, Numerology, & Astrology point directly to an LSU Tigers Championship most likely vs the Ohio State Buckeyes. Were Clemson to beat OSU & face LSU in the Championship, we will send an update to reaffirm the Champion.

What we know for sure is the Champion will end the 150th CFL Season with a 15-0 Record.

LOUISIANA STATE TIGERS vs OHIO STATE BUCKEYES =150
